Assemblyman Eric Stevenson In His Own Words

“I just need you to tell me what they want; we prepare the bill... You can write down the language, basically what you want.”

“Are Igor and them putting together a nice little package for me, huh?”

“Bottom line,...if half of the people up here in Albany was ever caught for what they do ... they... would probably be in [jail] ... so who are they bullsh**ing?”

“Look what they gave Miguel [Martinez] from Washington Heights ... five years...”

“Look what they gave Efrain [Gonzalez], seven years ...”

“Look at [Carl] Kruger ... He been extorting money ... [since he was] a district manager ...”
